

Ramon Mabillard

Prof. Dr. iur., LL.M. (Columbia), Attorney, Civil Law Notary

Ramon's areas of expertise are dispute resolution and litigation, including arbitration, and corporate restructuring.

Ramon started his career in 2001 in an international law firm where he specialised in corporate restructuring and litigation. He has been teaching procedural laws, bankruptcy law and international private law at the University of Fribourg since 2007. He has also published a number of articles, commentaries, books, and reviews on commercial and procedural law.

Ramon studied law at the universities of Basel (lic. iur. 1996) and Fribourg (Dr. iur. 2004) and at Columbia Law School, New York (LL.M. 2004). He was admitted to the bar in 1999 and became a civil law notary in 2007. Since 2016 he is also a sitting judge on the bench of the Court of Appeal of the Canton Basel-City and a member of the notary exam commission of the Canton Fribourg.
